1 Salt And Water

Salt and water, cleanse this space,
Open us to receive grace.
Purge the air of all the bane,
Purge our spirits of the same.
We come before the Temple gate
Full of love and purged of hate.

2 Panpipe's Quarter Calls

Hail eagles of the East wind heights,
truth swords of the quicksilver dawns.
Hail dancers of yarrow strewn lawns,
fleet followers of skyclad flights."

Hail noon eye, the Lady's bright bonds.
South brilliance crowns the
Queen of Names.
Hail Solar Lion, Summer's flames,
fire heart king of will and bright wands.

Hail twilit warrior of pearl, gray dusk prince,
Autumn cupbearer.
Hail West waters, questing sefarer,
sail on the sundering seas' furl.

Hail Earth power, keeper of keys,
Bull of Midnight, Shooting Star Ram.
Hail Dark Maiden of mysteries,
the North Star of the Pentagram.

Are you true of voice?
Now we shall see

12 Hymn to the Goddess Brigid

Healing Well so deep and pure.
Brilliant Flame so warm and sure.
Words of Wisdom shining bright.
Hope of Springtime, Ray of Light.

You bring growth and transformation.
Waxing strength to winter's sun.
Hopes and dreams take shape within us,
Guide them forth, Oh Shining One!

Healing Well so deep and pure.
Brilliant Flame so warm and sure.
Words of Wisdom shining bright.
Hope of Springtime, Ray of Light.

Grace us with your inspiration.
May our dreams blossom to be,
Works of kindness, love, and beauty.
Through our service, set us free!

Healing Well so deep and pure.
Brilliant Flame so warm and sure.
Words of Wisdom shining bright.
Hope of Springtime, Ray of Light.

23 From Salt To Sand (Poseidon)

Deep - the silence,
Blue and green
Full fathom fFive, a land unseen
Beneath the waves,
Deep in the sea
The waters glow with mystery
Lord that churns the sea and land
Your horses race from salt to sand
Cold the sea but hot the passion
Your trident strikes, and fates you fashion
